

# HANSEXPATSHUB KOHLEFAHRT 2024

FRIDAY, MARCH 1ST - 4 PM

## WHAT IS A KOHLEFAHRT?

A Kohlfahrt is a unique and traditional North German winter activity where friends, colleagues, or community members gather for a walk in the brisk winter air, followed by a hearty meal centered around the beloved local dish – Grünkohl (kale). 🥬

As you stroll through the scenic surroundings, engaging in lively conversations and laughter, the experience often includes a touch of silliness with traditional games and challenges. 🎲

But that's not all – Kohlfahrt is also known for embracing the spirit of Gemütlichkeit with the inclusion of some well-deserved alcoholic beverages! 🍷 The highlight, of course, is the feast that awaits you at the end of the journey, featuring Grünkohl, delicious sausages, and all the traditional trimmings. 🍴🍴
